

# Tapas

Here at the Episode we would like our customers to enjoy our Tapas just like you would do in Spain.

A Tapa is a snack that is meant to be eaten with a drink, it is a small portion and we think that three or four Tapas per person is the best way to enjoy a quick lunch or a light dinner.

If your idea is to share, we recommend you to go with our Raciones, they are our same Tapas but as a bigger sharing option.

José Díaz, Head Chef.
